E-resources

Below is a list of the library's electronic resources which are most useful for **Complementary Therapies**. You can view a full list of the Library's electronic resources by visiting this page:

<https://library.cityofglasgowcollege.ac.uk/finding-resources/e-resources>

Your student network ID and password will log you on to most of these resources. Some resources will prompt you to select either UK Federation and/or Shibboleth login options, and then simply select the institution of the City of Glasgow College.

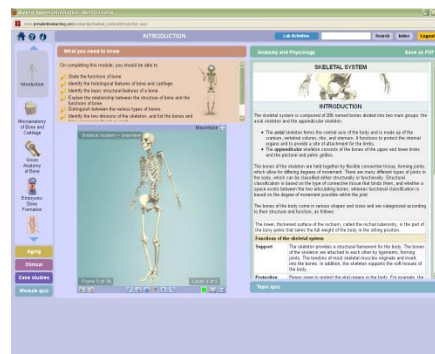

Box of Broadcasts

This service allows you to record TV and radio programmes over a seven-day period and watch archived programmes online. Covers all subject areas.

Primal Pictures

This interactive resource gives access to 3-D diagrams of the human body, including the skeletal and muscular systems.

Useful websites

- [Healthpages Therapy Guide](#) - Provides a good overview of therapies and links to professional organisations.
- [Complementary Healthcare Information Service, UK](#) - A source of articles, resources and links.
- [Natural Bloom](#) - Practitioner-written articles on a range of complementary therapies.
- [The Federation of Holistic Therapies](#) - Provides information on business start-up, careers advice and CPD in the holistic therapies industry.

E-books

The library provides access to e-books relevant to **Complementary Therapies**. You can read and download e-books through the Dawson e-book service at www.dawsonera.com, and through the library catalogue at <http://library.cityofglasgowcollege.ac.uk>. You should choose the Shibboleth login option and confirm City of Glasgow College as the institution.

Books

You can find books relevant to **Complementary Therapies** at the numbers listed below in the **City Campus Library**. You can see which books we have available by searching the catalogue:

<http://library.cityofglasgowcollege.ac.uk>

These numbers represent the location of the books on the shelves:

- Anatomy 611
- Fitness & Sports Science 611
- Holistic Therapies 615

Journals

Journals feature the most up to date information on subject areas (often more up to date than websites). If you want to find information about what is happening in your subject area at the moment, then journals are a great source. The following journals are of particular interest:

[Embody Journal](#) - Full colour professional magazine containing news & reports on new treatments, CThA membership news, CPD information, course availability, regional news and research reports.
